To The Secretary to the Government of Madras,
Law. (Education) Department.

Through

Sir,

The President,
District Educational Council,
South Kanara

Sir,

I have the honour to submit herewith the Budget Estimate of the Elementary Education Fund of the Taluk Board for the year 1926-27 together with the revised Budget of the current year with the following notes and comments:-

I. Revised Budget for 1925-26.

RECEIPTS.

1. Government Grant under proviso to section 37

of the Elementary Education Act:- Rs 40,100/- taken credit of - includes Rs 31,500/- the recurring subsidy plus Rs 7,876 and Rs 726/- being the amount of Provincial subsidies sanctioned in G. O. Nos. 877 Law (Education) dated 23.5.25 and 1550 Law (Education) dated 4.9.25 respectively for opening 30 new schools.

2. Contribution from General Account of the Board - Rs 3,700/- has been taken credit of in accordance with para (vi) of G. O. No. 1360 Mis- Law (Education) dated 7.8.25.

EXPENDITURE

1. Salaries and allowances - masters. The Taluk Board has sanctioned to the teachers a revised scale of pay with effect from the commencement of the current year. The amount now provided in the revised budget is according to that scale which is bereft of all special or temporary --- allowances:

2. Contingencies and equipment - The increase in the provision under this head in comparision with the original budget is due to the new schools opened from the Provincial Subsidies.

Closing balance

The total receipts under the revised Budget amount to Rs 58,345/- and including Rs 5,580/- the actual opening balance at the beginning of the year the total comes to Rs 63,925. The total expenditure being Rs 62,200/- there will be a closing balance of Rs 1,725 in the revised --- Budget for 1925-26.

II. Budget Estimate for 1926-27.

RECEIPTS

1. School fees. - The provision under this head is --- reduced to Rs 1,000 in view of the imparting of free --- education in schools situated in malarial tracts of the Taluk in order to increase the attendance in them.

2. Government Grant under proviso to section 37 of the Elementary Education Act - The provision of Rs 40,115/- includes the recurring subsidy of Rs 31,500/- and Rs 8,615

being the subsidy for the maintenance of the 30 schools sanctioned in G. O. Nos. 877 and 1550 Laws (Education) dated 23rd May and 4th September 1925.

3. Contribution from General Funds of the Board - The reduced figures of Rs 3,700 only has been taken credit of in view of the poor finances of the Board.

EXPENDITURE

1. Salaries of teachers. - The revised scale of pay sanctioned by the Board will be adopted in the next year also. This scale has been detailed in the annexture to the Budget.

2. Clerks and Servants - As three new Girls' schools have been opened and conductresses to them have been sanctioned, the provision under this head exceeds the normal figure.

3. The other items of expenditure are reduced to the lowest possible figures with a view to balance the --- Budget.

Closing balance

The total receipts under the Budget for 1926-27 come to Rs 57,625 and including the opening balance of Rs 1,725 the total comes to Rs 59,350/-. The total expenditure comes to Rs 59,330/- and there will be a closing balance of Rs 20/- only.

As the Board had opened 22 schools out of its funds during the last three years, the expenditure on education has risen considerably and it becomes extremely difficult to balance the budget. Hence no new schools have been proposed to be opened during the next year out of the proceeds of the education tax as the same will be fully absorbed in the maintenance of schools already opened.

A copy of the Taluk Board resolution approving the budget is enclosed hereto.

I have the honour to be

Sir,

Your most obedient servant,

President.

(ii) Schools to be newly opened during the year and their scale of pay ....

No additional teachers have been proposed to be employed in the existing schools. In case a necessity arises teachers in schools where the strength will be found superfluous will be sent to the schools where need be.

No revision of the existing scale of pay of teachers is proposed.
